**ELA 7	NA	NA	ELA 8	
Advanced Content Social Studies 7	≥ 80% in SS	Reading MAP ≥ 65% NPR	Honors Content SS 8*	A Gifted/Honors course.
**Social Studies 7	NA	NA	SS 8	

*Probationary status will be in effect for all students who do not maintain an average ≥ 80%.

**For the 2021-2022 school year, students who were in the Enhanced course for Math 7 are now eligible for Honors Math 8 if the criteria are met. Students who were in the Enhanced course for ELA 7 are eligible for Honors ELA 7 if the criteria are met. Students who were in Enhanced Science 7 are eligible for Physical Science if the criteria are met. There is no longer an Enhanced course offering for Social Studies in grade 8, but the criteria to qualify for Honors in this area has been changed to ≥ 65% NPR in Reading on the MAP test.

Gifted identified students are automatically served in Honors Social Studies. Placement in one of the other Accelerated/Honors courses is subject to meeting the placement criteria. Carnegie Accelerated Algebra I/Geometry A and Carnegie Physical Science are high school courses for which students earn Carnegie credit towards graduation. Students taking these courses need to be aware that while the credit counts toward graduation, the grade is **NOT** included in the high school Grade Point Average (GPA). Students may not decline credit for these courses, and students will not be allowed to retake the course at the high school if credit is earned.

Students **working above grade level** may submit a waiver to be considered for placement in an Honors course.

Placement Criteria for Grades 6, 7, and 8
