

## REMINDER:

- If your student needs to go home a different way, please write a note stating the new transportation. Your student will not be able to get on the bus unless they have a note.
- Our program is 3:15-6:15. If you are picking up your child, please be at school by 6:15.
- If your child misses more than three days, we will call you to check in.
- Our program will not be in session if there is no school.
- If the weather is bad, the busses may be a bit late. Please give them time to get to you.
- If you have any questions, please call us at 770 429 3190 ext. 3009

**January 2018**

Dear Parents,

Happy New Year! Welcome back to the new school year! We are excited about starting back in 21<sup>st</sup> Century!

In 21<sup>st</sup> Century, we not only work on homework and review the standards, we also have enrichment programs. We will have dance, High Touch High Tech (science program), Robotics, and Music. The students love these activities and have so much fun!

Please remember that we do have 21<sup>st</sup> Century Saturday School! The program is from 8:00-11:00. You may bring your student to the school or there is a bus that will pick the students up and bring them home. If you are interested, please let us know and we will get you the bus schedule.

In the month of January, we will be reviewing standards and getting ready to start reviewing for testing. State testing will start in the Spring, but we will start early to make sure all of the students are ready!

Please remember that our program does have an attendance policy. After three consecutive days, you will receive a check in phone call to make sure that your student wants to continue.

We look forward to the upcoming school year in 21<sup>st</sup> Century after school program!

Dr. Alexander and Ms. Butler
