

Dear MCS Families and Staff,

In light of the most recent announcements from Governor Brian Kemp, and in consultation with our neighboring school districts and the Georgia Department of Education, Marietta City Schools (including all BSP/ASP, camps, athletic events, etc.) will be closed for at least two weeks, beginning on Monday, March 16, 2020. This decision comes as a result of thoughtful discussions regarding what is best for our students, staff, and families. Schools and offices will be open as normal tomorrow (Friday, March 13, 2020) as we prepare for this extended closure.

Thank you for your patience and understanding as we navigate this unprecedented situation for our district and community. As we have continued to communicate, this is ever-changing and we may need to extend this closure accordingly. We are committed to providing you with information and updates throughout the closure. Look for additional correspondence from me within the next 24 hours regarding how we intend to support our families.

Sincerely,
Grant
