MCS COVID-19 RISK MITIGATION STRATEGIES

- Mandated face mask for staff and students
- Temperature checks of students upon arrival (bus stops, car riders, etc.)
- Protective shields at reception kiosk
- Hand sanitizing stations throughout buildings
- Hand sanitizers on buses
- Desk shields in classrooms
- Face shields (as requested) for all staff
- Increased cleaning of buses, classrooms, and school buildings
- Breakfast and lunch served in classrooms
- Minimize sharing of common supplies
- Limit commingling of classes during recess and specials
- Established walking patterns to maintain distance
- Increase air flow in HVAC units
- Replace air filters in HVAC units
- No volunteers or visitors in buildings
- No field trips
- Turning off water fountains
- Virtual parent meetings
- Tents at each elementary school and MSGA
- Self-screen of staff
