### GA DoE Standards

**Culture:** The student will understand culture is how people think, act, celebrate, and make rules, and that it is what makes a group of people special.

**Individuals, Groups, and Institutions:** The student will understand that what people, groups, and institutions say and do can help or harm others whether they mean to or not.

**Location:** The student will understand that where people live matters.

**Scarcity:** The student will understand that because people cannot have everything they want, they have to make choices.

**Time, Change, and Continuity:** The student will understand that some things will change over time, while others stay the same.

### Information Processing Skills:

1. Compare similarities and differences
2. Organize items chronologically
3. Identify issues and/or problems and alternative solutions
6. Identify and use primary and secondary sources

### Essential Questions

**Factual—**

What does your family celebrate?
What would happen if we didn’t have rules?
How do people earn money?
What do people spend money on?

Published August, 2023
Conceptual—
How are people where we live like you?
How are people where we live different from you?
How does where we live affect what we do every day?
Why do people save money?
How has school stayed the same over time?
How has school changed over time?
How has technology changed over time?
How has transportation changed over time?

Debatable-
How can my choices help people?
How can my choices hurt people?
