Unit title: Unit 1: Ancient Civilizations of the World

MYP year: 5

Unit duration (hrs): 10.5 hours

Mastering Content and Skills through INQUIRY (Establishing the purpose of the Unit): What will students learn?

GA DoE Standards

**Standards**

**Concepts/Skills to be Mastered by Students**

SSWH1 Analyze the origins, structures, and interactions of societies in the ancient world from 3500 BCE/BC to 500 BCE/BC.

a. Compare and contrast Mesopotamian and Egyptian societies, including religion, culture, economics, politics, and technology.
b. Describe the societies of India and China, including religion, culture, economics, politics, and technology.
c. Explain the development of monotheism, include: the concepts developed by the ancient Hebrews.
d. Identify the Bantu migration patterns and contribution to settled agriculture.
e. Explain the rise of the Olmecs.

**Information Processing Skills:**

1. compare similarities and differences
3. identify issues and/or problems and alternative solutions
6. identify and use primary and secondary sources
9. construct charts and tables
11 draw conclusions and make generalizations
Map and Globe Skills:
4. compare and contrast the categories of natural, cultural, and political features found on maps
6. use map key/legend to acquire information from historical, physical, political, resource, product, and economic maps
7. use a map to explain impact of geography on historical and current events
8. draw conclusions and make generalizations based on information from maps

SS Reading Standards 6-8:
L9-10RHSS3: Analyze in detail a series of events described in a text; determine whether earlier events caused later ones or simply preceded them.
L9-10RHSS9: Compare and contrast treatments of the same topic in several primary and secondary sources.

SS Writing Standards 6-8:
L9-10WHST1: Write arguments focused on discipline-specific content.
   a. Introduce precise claim(s), distinguish the claim(s) from alternate or opposing claims, and create an organization that establishes clear relationships among the claim(s), counterclaims, reasons, and evidence.
   b. Develop claim(s) and counterclaims fairly, supplying data and evidence for each while pointing out the strengths and limitations of both claim(s) and counterclaims in a discipline-appropriate form and in a manner that anticipates the audience’s knowledge level and concerns.
   c. Use words, phrases, and clauses to link the major sections of the text, create cohesion, and clarify the relationships between claim(s) and reasons, between reasons and evidence, and between claim(s) and counterclaims.
   d. Establish and maintain a formal style and objective tone while attending to the norms and conventions of the discipline in which they are writing.
   e. Provide a concluding statement or section that follows from or supports the argument presented.
L9-10WHST2: Write informative/explanatory texts, including the narration of historical events, scientific procedures/ experiments, or technical processes.
   a. Introduce a topic and organize ideas, concepts, and information to make important connections and distinctions; include formatting (e.g., headings), graphics (e.g., figures, tables), and multimedia when useful to aiding comprehension.
   b. Develop the topic with well-chosen, relevant, and sufficient facts, extended definitions, concrete details, quotations, or other information and examples appropriate to the audience’s knowledge of the topic.
   c. Use varied transitions and sentence structures to link the major sections of the text, create cohesion, and clarify the relationships among ideas and concepts.
   d. Use precise language and domain-specific vocabulary to manage the complexity of the topic and convey a style appropriate to the discipline and context as well as to the expertise of likely readers.
   e. Establish and maintain a formal style and objective tone while attending to the norms and conventions of the discipline in which they are writing.
   f. Provide a concluding statement or section that follows from and supports the information or explanation presented (e.g., articulating implications or the significance of the topic).
### Key Terms:
Comparing Mesopotamian & Egyptian societies; Religious development; Development of Mesopotamian, Egyptian, Chinese, Indian, & Hebrew culture; Comparing Mesopotamia & Egyptian societies; Politics of Indian & Chinese societies.

</tbody>
</table>

### Statement of Inquiry
SOI: The rise of early civilizations and the emerging social complexity of populous societies caused the need for structures within society to provide order and stability.

### Inquiry questions

#### Factual
What are the characteristics of a civilization?  
Why did these characteristics emerge?

#### Conceptual
In what ways were early civilizations similar or different?  
How do the physical features of a region affect the development of the characteristics of a civilization?

#### Debatable
Which of the civilizations in this unit could be considered the most important?  
Which characteristics of a civilization play the greatest role in its success?

### MYP Objectives

| Criterion D. Thinking Critically | **Debatable Question: Which Civilization is the Most Important?** Students investigate and research civilizations and choose the one they feel most impacted societies as the time and into the modern day. Their claims will include TREC and must be supported by documents that are cited. | **Formative Assessment(s):** Unit 1 Multiple Choice CFA  
**Summative Assessment(s):** Unit 1 Multiple Choice Summative  
Debatable Question: Which Civilization is the Most Important |
| MYP Objectives | **Differentiation:** Scaffold: Debatable Questions: Which Civilization is the Most Important |  |
| What specific MYP objectives will be addressed during this unit? | Relationship between summative assessment task(s) and statement of inquiry: | List of common formative and summative assessments. |
| C. Communicating | **Autopsy of an Empire** Students will deconstruct one of the empires studied in class and create a representation of the empire's characteristics and important information. | **Formative Assessment(s):** TBD By Honors WH Team  
**Summative Assessment(s):** TBD By Honors WH Team |

**Approaches to learning (ATL)**

**Category:** Social  
**Cluster:** Collaboration Skills  
**Skill Indicator:** Listen actively to other perspectives and ideas
**Category:** Communication  
**Cluster:** Communication Skills  
**Skill Indicator:** Write for different purposes

Others listed on the planner teachers may consider:  
Listen actively to other perspectives and ideas  
Consider ethical, cultural, and environmental implications  
Write for different purposes  
Combine knowledge, understanding and skills to create products or solutions
