

KEEPIN' IT SAFE

PREPPED & COOKED FRESH

Our foods are prepped and cooked in our clean kitchens and packed quickly for safety.

WELLNESS CHECKS

We conduct wellness checks on our team members and strictly enforce our policy of not allowing employees who are ill or showing signs of illness to work.

FACE MASKS

All team members are required to wear face masks properly.

HAND-WASHING & GLOVES

All team members wash their hands frequently and wear gloves while preparing food.

DISINFECTING SURFACES

We continue to frequently clean and disinfect high contact areas.

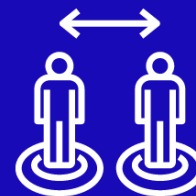

FOOD SAFETY

We follow strict hygiene standards and reinforce safe food handling with our team members.

INDIVIDUAL PACKAGING

We utilize prepackaged and individual packaging to limit contact and cross contamination.

SOCIAL DISTANCING

We encourage social distancing practices throughout the kitchen and while serving.
