

What is the Marietta Performance Learning Center?

The Marietta Performance Learning Center, affectionately known as the Marietta PLC, is a small, non-traditional Marietta High School program geared towards students who are not succeeding in the traditional school setting and for those who are desirous of a smaller, blended computer-based learning environment. The Marietta PLC maintains a business-like environment and emphasizes personal support. The program includes an intense academic component anchored by an online instructional system and project-based learning. This is its 10th year in existence.

The Marietta PLC serves as a partnership between Marietta City Schools and Communities in Schools, Inc. Initially, PLCs were funded through the help of the Bill and Melinda Gates Foundation, private foundations and businesses. PLCs serve as one of many dropout prevention strategies created by Communities in Schools, the oldest non-profit organization dedicated to keeping students in school.

There are 19 such PLCs in GA. Most recently, PLCs have become a national initiative with sites in PA, NC, NJ, WA, DE and VA, to name a few. Performance Learning Centers work to focus students not just on graduation, but life and education beyond high school. Preparation of college and a career are the standards for PLCs. PLC students are encouraged to start actively planning their future and take the steps necessary to make their plans a reality.

Summarily, the Marietta Performance Learning Center serves as support for Marietta High School. Although located on a separate campus at 353 Lemon Street, the MPLC and MHS are all one big Blue Devil Family. The program's goal is to assist in getting students graduated on time while providing services to assist with next steps i.e. college, military or workforce. To achieve this objective, the MPLC has two components. A Full Day Program and an Afterschool Program are available. Students and those recommending students may determine which component best suits their needs by the number of current credits, age and years in school.

WHO DOES IT SERVE?

- Beginning 3rd yr. students with 10-15 credits who are not classified as Juniors.
- Transfer students who arrive after 45 days into semester and stand to audit classes.
- Students whose absences (homebound, hospitalization, etc.) have made successful completion of courses impossible.
- Students who may be on target academically, but for social reasons may need a smaller setting “ Square Pegs”.
- Students who may be ahead in their credits and choose to take advantage of dual enrollment opportunities available at Chattahoochee Technical College.
- Students who may be ahead in their credits, desire a minimal schedule, but are not eligible for any work program.
- 5th year students

Because of the accelerated independent nature of the classes at MPLC, students with chronic behavior issues and students who receive intensive ELL & SPED services may not be viable candidates.

HOW DO I ENROLL?

1. An application may be obtained at the main campus in the Graduation Coach’s office by the student, peer, parent, principal/counselor, or teacher.
2. The recommender and the student may complete the application together.
3. Once the application has been completed, the form must be submitted to the Graduation Coach, preferably by the student.
4. At that time, the Graduation Coach will attach academic records to the application and review for completion.
5. If completed, the Graduation Coach will give the student a date, time and bus pass (if needed) for an interview at the MPLC with the MPLC Admissions Screening Committee. the Persons on the committee may include Academic Coordinator, the Counselor and/or a learning facilitator.
6. At the interview, students must have a parent or guardian present. If a student is independent, they may come alone. The student must bring the application and other paperwork for the interview.
7. During the interview, the student will be asked questions regarding his/her academic history and the transcript will be reviewed.
8. The student will either be -
 - (a) Accepted with a beginning date and instructed to clean out lockers and return materials to the high school.
 - (b) Referred to adult education opportunities.
 - (c) Directed to the proper main campus resource for additional assistance – a counselor, and ELL/ SPED case manager.

The student enrollment process is an ongoing one. Need and extenuating circumstances may expedite one’s acceptance.

WHAT'S THE DIFFERENCE?

Marietta PLC students are MHS students. While most aspects remain the same, there are differences in the location of their classes, their immediate supervision and instruction, behavioral and attendance expectations as well as approaches to learning.

LOCATION

MPLC classes are held at 353 Lemon Street on the Woods-Wilkins Grounds. The campus consists of two buildings. The main building contains the main, administrative, and counseling offices and 5 classrooms and the cafeteria. The back building contains the Resources Suite, more classrooms, a testing lab, the Student Center and the Toastmasters Forum.

INSTRUCTION

In classrooms of no more than 15 students, all core subjects and business education courses are offered. All teachers are certified in their respective subjects and provide individualized instruction and/or assistance, as determined by student need.

Students use a blended learning approach toward course completion. Each course has 3-4 parts:

1. Computer Work (70 % Edgenuity) formerly known as an E2020)
2. Book Assignments (20 %)
3. Projects (10 %)

Courses that include End of Course Tests have a fourth component:

4. EOCT Preparation (This preparation may be additional computer work- 20 hours of Study Island or a similar program and/or teacher prepared review packets to be completed.) Also, a diagnostic test will be administered.

Before the test is given, a pre-test will be administered result determine whether the student continues to study or takes the actual assessment.

SUPERVISION

Once students enroll at the MPLC, their immediate administrative authority is the Academic Coordinator. Although the Academic Coordinator works closely with the counselor to ensure that student academic needs are met. She also handles discipline and enforces local rules.

BEHAVIOR EXPECTATIONS

Two contracts specifying expectations in attendance, behavior, and academic performance will be reviewed/explained and signed by the student and parent prior to entering the MPLC program. The terms of each contract are expected to be met by the student at all times. Additionally, students are expected to obey all rules and regulations as outlined in this handbook for MHS students as well as in the Parent Information Guide for the Marietta City Schools System. Any student who violates these rules may be suspended or referred to a disciplinary tribunal.

Once students are accepted into this voluntary program and have agreed to its guidelines, students remain in the program until all graduation requirements have been met.

ATTENDANCE

Students are expected to be present and on time every day. Only two (2) absences (excused, unexcused, or suspensions) per mini-mester will be allowed. Upon the third absence, the student will be withdrawn and may not re-enroll until the next mini-mester. Withdrawal from two-mesters due to attendance will result in dismissal from the MPLC.

Any student who reports to the MPLC Tardy will be required to make up the time missed on that day or within two days of the tardy. Failure to make up the time will count toward an absence. Three tardies will equal one absence.

When Students arrive to school each day, they “clock- in at the front office computer and report directly to the cafeteria for breakfast. **No congregating outside the building or in the hallway is allowed. If on occasion you must be tardy, you are required to check in at the main office and with the Site Coordinator. Additionally, students must call in on 770-429-3188 Ext 104 Ms. Jones, on days of absence.**
