

Accessing Courses

1. After logging into itslearning, you will navigate to **Courses** in the top menu bar.

2. Once you click **Courses**, a selection of your courses will display. If you see the course you would like, click on it. If you do not see it listed, click on **All Courses** at the bottom of the selection.

3. Once your list of courses displays, click the name of the course you wish to access.
