

# MCS SAFE RIDER CONTRACT

Dear Parent/Guardian:

The safety of your children is our number one concern and “The Safe Rider Program” is a student management program which promotes and teaches proper school bus safety. The core of the program promotes personal accountability as it relates to bus safety because unsafe choices endanger the safety of all passengers.

## How the Program Works

The program promotes instant accountability for unsafe behavior as shown below.

The program also includes a defined and graduated discipline plan. The concept does not stop here. We have also developed a Safe Rider Class that employs several different ways of empowering the student to correct unsafe behavior. Some of those techniques include role play, videos and class work which will be scheduled to not interfere with the student’s academic work.

## Unsafe Behavior on the Ride Home

- If unsafe behavior occurs before the bus leaves the school; the student will be provided with two options: (1) Correct the behavior and continue home (behavior documented) or (2) be removed from the bus and taken to MCAA with staff supervision until a parent or guardian can pick up the student (behavior documented.)
- If unsafe behavior occurs after the bus leaves the school the driver will contact their Dispatch. Transportation staff will assess the situation and if necessary, a staff member will remove the student from the bus to return the student to MCAA to remain under staff supervision until a parent or guardian can pick the student up.
- If either of the above instances occurs, the graduated discipline plan will be in effect.

Also the MCS j-Policies for students supersede the Safe Rider Program.

We need your partnership as we move forward in making Marietta City School buses safer and more enjoyable part of the student’s day. Please review the *Safe Rider Policies and Regulations* with your student. Please complete and sign the *Safe Rider Contract / Emergency Form* with your child and return to your bus driver within 5 days to continue bus rider privileges and to insure your child’s assigned seat.
