Process and Deadlines

Magnet: Applications for the Magnet program open the 2nd Monday in November and close 10 business days after the last day of school. Students are notified of acceptance by the local school within 30 days of the receipt of the application. Out of district students will also need to be approved for Tuition (see process below). The application process consists of a Magnet application, Student Registration Form, and Enrollment Agreement. For more information, please visit <http://www.marietta-city.org/MagnetPrograms>.

Choice: Applications for the Choice program open the 2nd Monday in November and close the 3rd Friday in January. The Office of Academic Achievement and Programs notifies students of acceptance the 2nd Monday in March. The application process consists of a Choice application and an Enrollment Agreement. For more information, please visit <http://www.marietta-city.org/ChoiceAcademies>.

Non-Resident (Tuition): Applications for the Tuition program open the 2nd Monday in November and close the 2nd Monday in March. Due to the need to verify space for acceptance of tuition students, students are not notified of acceptance by the Office of Academic Achievement and Programs until the 2nd Monday in May. The application process consists of a Non-Resident Student Enrollment application and Enrollment Agreement. For more information, please visit <https://www.marietta-city.org/StudentRegistration>. *Please note: If you are a student applying for Tuition and Magnet, you will not be officially accepted into the Magnet program until your Tuition application has been approved.

MCS Employees: If you are an **in district** employee and wish to have your student attend a school other than the one for which he or she is zoned, please complete the Choice application, including the Employee section, and the MCS Enrollment Agreement. **This also includes in district employees applying for the Work Site Placement program.** If you are an **out of district** employee and wish to have your student attend MCS, you must complete the Non-Resident Student Enrollment application process as described above, including the MCS Enrollment Agreement. **This also includes out of district employees applying for the Work Site Placement program.**
