5. Parent Volunteers - how to use for extra planning time for teachers

6. Informational Session for "What's Next?" for 5<sup>th</sup> graders

7. Open

Actions: Voted on MCS Calendars; Approved vendor change for uniforms

Comments: Calendar: Prefer starting school on a Friday to starting on a Monday, but concerned starting on a Friday will mean many students won't attend school that first day. Uniforms: Look into adding MCAA option to BSN site with profits coming to MCAA PTSA. Communication to rising 3<sup>rd</sup> graders should include emphasis on the different learning environment, collaboration, same standards as other schools but at a faster pace so extra things can be added, large gifted population. Parent volunteer needs will filter through room parents, and staff will discuss their needs. Conference week is a particular focus. Would like to have an information session for 5<sup>th</sup> grade families in the fall that includes a Q & A sessions and outlines what's next in 6<sup>th</sup> grade and beyond.

Recommendation to BOE: Calendar A for both school years.
