Dear Parents and/or Guardians,

Welcome back to an incredible year of learning at Lockheed Elementary School Leadership Academy! My name is Dr. Devonne Harper and I am thrilled to be your child's principal for the 2017-2018 school year.

As we begin a new school year, we encourage you and your children to read this Student/Parent Handbook very carefully and become familiar with its contents. One of our goals at Lockheed Elementary School Leadership Academy is to prepare our students to be successful productive citizens, by creating a structured atmosphere that addresses academic and personal growth. The school policies, expectations and procedures contained in the handbook have been established to help us maintain a safe and nurturing learning environment for your child here at Lockheed.

The partnership between parents and teachers is *vital* important to the academic success of students. At the core of that partnership is open, on-going communication between school and home. I encourage you to work closely with your child's teacher to ensure that your child reaches his or her full potential. We value your input so if you have any questions or if you have suggestions for revisions to our handbook, please do not hesitate to contact me.

Here's to a SOARing year!

Dr. Devonne Harper, Principal

Lockheed Elementary School Leadership Academy

## **REGISTRATION**

New student registration hours are Monday-Friday from 9:30-12:00. In order to process new students and to assign the appropriate homeroom, new students will not begin school until the next school day after the registration is complete.

## **ABSENCES, TARDY AND STUDENT ATTENDANCE**

Students may enter the building at 8:00 AM. Please do not drop children off prior to 8:00. Students will not be supervised until 8:00 AM.

Elementary school hours are: **8:30 AM- 3:15 PM**. To ensure students do not miss valuable instruction, they should be **in class and ready to receive instruction by 8:30**. Parents must sign in tardy students at the front office after 8:30 AM. Students who are checked out of school early will also be considered tardy for the day.

A letter written by a parent or guardian explaining reasons for absence must be presented to the teacher within three days by all students after an absence from school. A student must be in attendance 3 or more hours to be counted present. **The cut off time for attendance is 11:45AM.**

According to Georgia law, parents must ensure that their children are in attendance each day of school. Students with more than five days of unexcused absences are considered truant. An unexcused absence is an absence that is not accompanied by a valid written excuse provided within three days of a student's absence and signed by the student's parent or guardian. Excused absences include:

- personal illness or attendance in school endangers a student's health or the health of others.
- Serious illness or death in a student's immediate family necessitating absence from school.
- A court order or an order by a governmental agency, including pre-induction physical examination for service in the armed forces
- Observing religious holidays, necessitating absence from school
- Conditions rendering attendance impossible or hazardous to student health or safety
- Serving as page of the Georgia General Assembly

At the end of the year, Lockheed students with perfect attendance are recognized during our Awards Program. Perfect Attendance is defined as being present each day of school with no more than 5 "tardies", including early dismissals.

## **AFTERNOON DISMISSAL**

**Student dismissal begins at 3:15 PM**

**Please be reminded that early dismissals cannot be granted after 2:45 PM, no phone calls for changes in how a student is to go home will be accepted. All changes must be in writing unless it is an emergency.**

Lockheed Elementary will dismiss students enrolled in the After School Program, car riders and day care van riders at 3:15 PM. Car riders will exit the building through the C wing front doors. Day care van dismissal will be from the front doors on A wing. After School Program children will report to the cafeteria for roll call and snacks. Bus dismissal will be called from the office once the majority of buses arrive. During the first few days of school, this process will take a little longer as students are learning the procedures.

Parents will be assigned a car pool identification tag to display on their rear view mirror. Students riding in vehicles may only be dropped off or picked up at the main entrance to the school on Merritt Road. Single lane traffic only is permitted. During drop off/pickup times, drivers are asked to pull up to the first drop off sign.

For safety reasons, children are to exit or enter vehicles only on the sidewalk side. Cars are not to be driven onto the bus ramp on the East Side of the building. If you choose not to wait in the car line, you should park on the lower campus parking lot.

Vehicles may not be parked unattended in the fire lane marked by the yellow curb. Violators are subject to being ticketed by the police department.

**During dismissal no child will be permitted to cross the drive in either direction, even when accompanied by an adult.** If you want to park in the lower parking lot and meet your child you will be asked to provide identification before we release your child. If you park in the front parking lot, you must wait until all cars in the pickup line have been loaded before crossing to get into your vehicle. This measure is most important for the safety of the children during a hectic time. This procedure may cause some inconveniences at times, but we know that you will agree that nothing is more important than the life of a child.

**DIFFERENT ARRANGEMENTS FOR TRANSPORTATION HOME:**

To ensure the safety of our students at all times, we request that you notify the teacher at the beginning of the school year of the usual arrangement for your child's way home. A dated and signed note will be required any time a student plans to ride a different bus, go home with a friend, or change his/ her normal routine for getting home from school. We will not accept a change from the usual plan verbally from the student. Please have afternoon arrangements made before your child comes to school. Young students in particular, become very upset when they are notified of changes while at school.

**AFTER SCHOOL PROGRAM (ASP)**

An after school program is provided at Lockheed School. The registration fee is \$10.00 and the program cost is \$7.00 per day. All students who are registered in the program must be picked up by 6:30PM. Students are given a snack, assisted with homework, and participate in fun activities. Applications are available in the School Office. Please send a note to the afterschool staff if your child's dismissal plans change. For the protection of your child, NO changes will be made without a written note from the parent.

Parents/guardians may pick up students from the back of the building at the gym door. Visit the MCS website at [www.marietta-city.org](http://www.marietta-city.org) to register on-line.

**AWARDS DAY**

At the end of the second and fourth quarter, students are honored in all academic areas as well as Art, Music, and P.E. In addition Citizenship, Perfect Attendance and Marietta READS Awards are given.

BSP will begin each day at 6:30AM. The registration fee will be \$10.00 and the program cost is \$5.00 per day. Visit the MCS website at [www.marietta-city.org](http://www.marietta-city.org) to register on-line.

## **CELL PHONES and other electronic devices (tablets, games, etc.)**

Cell phones and other electronic devices are not allowed to be used while on Lockheed's campus. If a student brings a cell phone to school, it should be turned off and stored in their book bag, out of sight. If a staff member hears or sees a student's device, the student will be given a warning. The second time a staff member hears or sees the device, it will be collected by the student's classroom teacher and returned at the end of the school day. If a student continues to violate the policy, the device will be turned in to an Administrator and a parent or guardian will be notified to pick up from the front office. Lockheed is not responsible for lost or stolen items.

\*Please note that there are phones in every classroom and throughout Lockheed Elementary. If a parent or guardian must reach a student, they should call the school directly at 770-429-3196.

## **CHANGE OF ADDRESS OR PHONE NUMBER**

As cases of sickness and emergencies involving school children often arise, it is extremely important that the school has a working home and work telephone number for each parent. If any phone numbers are changed during the year, please notify the school office and teacher. If there is no phone in the home, the number of a phone where the parent can be reached is necessary. The school office and teacher should also be notified in the event of change of address.

## **CHILD ABUSE AND NEGLECT**

The laws of the State of Georgia require that members of such professions as medicine nursing, counseling and teaching must report to the proper authority cases of suspected abuse. Members of these professions are held legally accountable for failure to make such reports and are protected against legal consequences when living up to this expectation. Our school will report suspected child abuse & neglect.

## **DISCIPLINE/SOAR**

Lockheed Elementary School has a school-wide discipline program to promote consistent expectations for student behavior. We believe our students will grow up to be good citizens if they learn self-control and responsibility in the context of a total school program. Every teacher

has a defined set of classroom rules with rewards and consequences. This information is provided to parents at the beginning of the school year along with a copy of the Marietta City Schools "Student Discipline Handbook." Please take time to review this information with your child.

Lockheed Elementary is a Positive Behavior Intervention and Support (PBIS) school. Our behavior expectations are taught explicitly and reinforced consistently throughout the school. The SOAR Matrix clearly defines the behaviors we expect from all students. SOAR stands for **S**-Safe, **O**-Orderly, **A**-Accountable, and **R**-Respectful.

The school rules are explained to students during class morning meeting and on an as needed basis. Students are recognized for demonstrating the expected behavior in many ways. They have the opportunity to earn "Jet Bucks" that they may use for positive incentives (see attached SOAR brochure). Students may also receive consequences for committing discipline infractions. Please refer to the Parent Information Guide 2017-2018, Behavior Code (Board Policy JCDA).

### Office Referrals

The administration reserves the right to modify consequences for any severe discipline situation in which acts of physical aggression endanger the security and well being of students and/or staff. Any time a student is sent to the office for discipline purposes the parent is notified via phone call and a copy of the discipline referral is sent home with the student. Lockheed Elementary School does not use corporal punishment.

It is our goal to provide your child with a safe, secure learning environment at Lockheed Elementary School.

### **EARLY DISMISSAL**

Should there be an emergency and you need to pick up your child, come to the school office. DO NOT go directly to the class for students. You will sign your child out while office personnel announces for the teacher to send your child to the office for early dismissal. If the student returns before the end of the day, sign him back in at the office. If for any reason you wish to pick up your child before school is out, write a note to your child's homeroom teacher indicating the time you would like your child dismissed. When the time arrives, check with the office and sign your child out. **No early dismissals are made after 2:45 PM.**

Please make note of the Conference Weeks, as students will be dismissed from school early during these times and their regular dismissal plan will apply unless we are notified in writing of dismissal changes.

### **FIELD TRIPS**

All grade levels have the opportunity to participate in off-campus fieldtrips throughout the year, depending on budget. Students must have written permission to participate on a field trip. We regret that we cannot accept permission given over the phone. Please return signed permission forms in a timely manner to insure your child's participation in a field trip. Teachers, parents and Lockheed Administration will work together to develop a plan for students with behavioral or health concerns.

### **FOOD ALLERGIES**

All food brought onto campus for birthdays, class parties, or celebrations, must be store bought and be peanut-free. Items should be in the original packaging and should be able to be passed out with ease in the classroom. Please request permission from your child's teacher if you plan to bring food onto campus for any of the events mentioned above. In classrooms where students have food allergies, the teacher will advise parents of food items they may bring to share. Homemade foods are not allowed.

### **PROMOTION/RETENTION**

#### **Promotion Criteria Policy**

The mission of Marietta City Schools is to provide quality instruction and support services to each student. Marietta City Schools will accomplish this mission by providing a challenging curriculum responsive to individual needs, an excellent staff, a safe, positive learning environment, and a strong partnership with all homes in our diverse community.

Learning builds upon previous learning, and each Marietta City Schools' student must be well prepared to meet the rigor and challenge of a new grade level as he/she progresses through the school years. Promotion to a new grade level is an accomplishment for a student because promotion demonstrates that the student has learned the requisite skills and knowledge and is prepared for the next challenge.

The Marietta City Schools Promotion Policy describes how the school system determines the promotion of students from Kindergarten through grade twelve. The policy also states the

consequences for students who do not meet the promotion criteria outlined for the specific grade level. Information is given stating the means by which the criteria may be achieved. In addition to consequences for not meeting the criteria for promotion, this policy provides opportunities for students to meet grade level standards in a compacted period of time, be provided differentiated instruction strategies in the classroom, and participate in instruction extended beyond the regularly scheduled day or year. Furthermore, the promotion, placement and retention of students in grades 3, 5, and 8 are in accordance with State Board Rule 160-4-2.11.

The Marietta City Schools Promotion Policy shall be applied to all duly enrolled students regardless of the number of days enrolled in Marietta City Schools. Transfer students must meet all requirements for promotion. Parents and guardians will be provided notice of this policy for promotion, placement or retention of students.

A quality education requires a joint effort by Marietta City Schools, students, and parents. This partnership will help all children achieve and meet promotion criteria.

This policy is in accordance with Georgia Code 20-2-280; §20-2-163. Authority O.C.G.A. § 20-2-240; §20-2-282; §20-2-283; §20-2-284; §20-2-285 and State Board Rule 160-4-2.11.

**TRANSPORTATION**

The safety of your children is our number one concern and "The Safe Rider Program" is a student management program which promotes and teaches proper school bus safety. The core of the program promotes personal accountability as it relates to bus safety because unsafe choices endanger the safety of all passengers.

**How the Program Works**

The program promotes instant accountability for unsafe behavior as shown below. The program also includes a defined and graduated discipline plan. The concept does not stop here. We have

also developed a Safe Rider Class that employs several different ways of empowering the student to correct unsafe behavior. Some of those techniques include role play, videos and class work which will be scheduled to not interfere with the student's academic work.

### **Unsafe Behavior on the Ride Home**

☐☐ If unsafe behavior occurs before the bus leaves the school; the student will be provided with two options: (1) Correct the behavior and continue home (behavior documented) or (2) be removed from the bus and taken to MCAA with staff supervision until a parent or guardian can pick up the student (behavior documented.)

☐☐ If unsafe behavior occurs after the bus leaves the school the driver will contact their Dispatch. Transportation staff will assess the situation and if necessary, a staff member will remove the student from the bus to return the student to MCAA to remain under staff supervision until a parent or guardian can pick the student up.

☐☐ If either of the above instances occurs, the graduated discipline plan will be in effect.

### **MCS Policies for students supersede the Safe Rider Program.**

We need your partnership as we move forward in making Marietta City School buses safer and more enjoyable part of the student's day. Please review the **Safe Rider Policies and Regulations** with your student. Parents will be asked to complete and sign the **Safe Rider Contract / Emergency Form** and return to the bus driver within 5 days to continue bus rider privileges and to insure their child's assigned seat.

### **GRADUATED DISCIPLINE PLAN**

☐☐ **1st Offense** – Driver Student Conference & Parent Contacted. (Courtesy Notice.) Student on probation and re-assigned to the front of Bus for 1 week.

☐☐ **2nd Offense** – Driver Student Conference & Parent Contacted. (Courtesy Notice.) Student on probation and re-assigned to the front of Bus for 2 weeks.
