

School Immunization Requirements for the 2015-2016 School Year

Effective July 1, 2014, all children born on or after January 1, 2002 who are entering 7th grade, and new entrants* to Georgia schools in grades 8-12 will be required to have Tdap (tetanus- diphtheria - acellular pertussis) and meningococcal conjugate vaccines before entering school for the 2015-2016 school year. Visit Cobb & Douglas Public Health or your private physician to get these vaccines.

*New entrants include anyone that is entering Georgia schools for the first time or is returning to a Georgia school after being gone for more than 12 months or one school year.
