Marietta City Schools is proposing construction of a Fine Arts Center at Marietta High School and would like to hear from YOU to make sure the voices of OUR community are included. We invite you to attend this public comment forum where you will:

- **Hear** a short presentation about the vision for this project from the Superintendent and members of the school board
- **Review** the project funding options for the proposed Fine Arts Center
- **Share** your comments with school board members

Thank you for your valuable support of this important endeavor!
