What is Title I?

Lockheed Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

Lockheed Elementary is committed to helping our parents attend the parental activities listed in this plan. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs. At (770) 429-3196 or dsieverson@marietta-city.k12.ga.us

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Lockheed Elementary will provide opportunities to improve parent engagement to support student learning. Lockheed Elementary values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Lockheed Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed? Lockheed Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and send home to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during our fall and spring conference and throughout the year to revise the plan for the upcoming school year.

Who is it for? All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Lockheed Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available? We will send the plan to all parents in the Jet Pack. Parents can also retrieve a copy of the plan in the Parent Resource Center, in the Virtual Parent Resource Center, or on the Lockheed Elementary School website.

- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- The carrying out of other activities as described in this plan.
