School-Family Compact Lockheed Elementary School 2017-2018

What is a School-Family Compact?

We, the faculty, staff, parents, and students of Lockheed Elementary School have come together as a team to write this compact outlining how the parents, school staff, and students will share the responsibility for improved student academic achievement. It also describes ways in which school and parents develop a partnership that will help children achieve the state's high standards. Students contributed to this compact during their classes. Parents contributed during meetings, including pizza with the Principal, and Open House. Feedback was also requested thru the school's Parent Survey. Teachers contributed during their goal-setting activities, department committee meetings, and staff meetings. Comments and suggestions are welcomed at any time. If you would like to volunteer, participate and/or comment, please contact Ingrid Estevez at iestevez@marietta-city.k12.ga.us 770-429-3115 ext. 5102.

Please sign and date this form to acknowledge that you have received, read, and agreed to this Parent-Teacher-Student Compact. Once signed, please return the form to your child's teacher.
