III. IB MYP Reauthorization

Special Presentation made by Jill Sims (MYP Coordinator)

- a. Process Overview
MYP coordinator explained the IB 5-year Evaluation Process
- b. Where are we now?
Building Quality Curriculum units (6 units from MMS and 18 from the MCS grades 6-10) were submitted to the IB in February for review and feedback. All items on the Preliminary Review Documents Checklist was submitted to the IB before the April 15th deadline.
- c. What is next? (Self-Study)
The Self- Study Questionnaire responses are being gathered from student (from the Principal's Student Advisory Council) and staff (Professional Learning Community Leads and administrators).
- d. SGT Involvement & Feedback
Focus for feedback was Service as Learning; A handout was provided about types and examples of service along with IB's statement about action in the MYP.
- e. Mission & Vision
SGT participated in the revision of the MMS Mission and Vision in the 2019-2020 school year. This will be reviewed again during next May SGT meeting.
- f. How can we build a stronger program for "Acts of Service?"
Parents: Island of Competence approach, share interest groups for giving back, 8th graders matched to 7th graders, peer counseling/leadership (participants would need training), how to lead with kindness, What task can students take off of teachers?, open car doors
Teachers: Student flag bearers, students need to see the impact of their service
Dr. Hibbs: Student Ambassador Team, students see themselves as givers, Principal's Student Advisory Council could brainstorm
