

GUIDELINES FOR USE OF FACILITIES FOR MOTION PICTURE, FILM, VIDEO AND PHOTOGRAPHY (“FILM”)

Thank you for your interest in Marietta City Schools’ property as a possible filming location. Marietta City Schools understands the importance of the film industry to the local economy and the benefit it can provide to our students interested in a career in film and film production. **Marietta City Schools encourages all requestors to consider utilizing Marietta High School Audio-Visual Technology and Film students as a part of your production staff.**

Marietta City Schools may allow facilities to be rented to those who wish to film on board property - provided such filming does not interfere with the educational, scholarly, or administrative functions of the school or school district. Permission to film on board property will be granted only if, in the sole determination of Marietta City Schools, it is in the district’s best interest to permit such filming. Marietta City Schools reserves the right to deny permission to film on property.

Film scout visits are encouraged, when appropriate, to help Marietta City Schools clearly determine the needs and desires of the production. A request for a scout visit can be made to the Marietta City Schools central office. **PERMISSION FOR SCOUT VISITS, SITE SURVEYS, LOCATION AND TECHNICAL SCOUTS DOES NOT CONSTITUTE COMMITMENT BY MARIETTA CITY SCHOOLS FOR THE USE OF ITS FACILITIES AS A LOCATION.**

In addition to any other requirements in the Use of School Facilities policies or procedures, the following conditions apply to film destined for promotional use:

1. The intended use of the film must be stated explicitly in writing on the “Application to Use of Facilities for Motion Picture, Film, Video and Photography” and submitted to the District as an attachment to the online application. The statement of intended use must include the product or service being promoted, the intended market, the medium, any accompanying text or other images, and how an image of the School Property would be used. In cases of motion pictures, a brief synopsis -- including the names of the actors and the full script or appropriate script excerpts -- must be submitted.
2. Neither school buildings nor persons present on campus may be photographed in such a way as to render them identifiable without written consent or release. Any written releases shall include Marietta City Schools and the Board of Education of the City of Marietta as released from any potential liability.

3. The Marietta City Schools logo, as well as photographs that include the logo, are reserved for the exclusive use of the School District and may not be used without prior written authorization from the Superintendent's Office.
4. The Superintendent or his/her designated representative reserves the right to restrict or deny the use of school facilities or campus locations if, in his/her judgment, such use might be harmful to the reputation of Marietta City Schools or to its educational purposes.
5. The party responsible for the filming may not drill, nail, glue or alter any school property in any way without written authorization from the Marietta City Schools Superintendent or designee. If this authorization is granted, all property must be returned to its original state. Any property damaged as a result of the use by or activities related to the filming must be repaired or replaced by the party responsible for the filming to the satisfaction of Marietta City Schools.
6. The party responsible for the filming will indemnify and hold Marietta City Schools and the Board of Education of the City Marietta harmless from and against any claims or demands arising out of or based upon personal injuries, death or property damage, resulting directly from any act or negligence on its part in connection with the work, film production or use of school district property. Depending on the nature of the filming and the location, proof of general liability may be required.
7. The party responsible for the filming must be accompanied by a representative of Marietta City Schools at all times while on campus. In addition, the party responsible for the filming agrees to pay all incurred expenses related to the reimbursement of the Marietta City Schools representative's time spent accompanying the production.
8. A fee is charged for the use of the location for each day or portion of a day. These fees may be waived, in part or in whole, if the filming is for educational or other bona fide public information purposes or in the event that Marietta City Schools negotiates any rights in the film project. In addition, the party responsible for the filming agrees to pay all incurred expenses such as those for A/V technicians, security, supervisory, custodial services, etc. Specific contractual arrangements must be negotiated in advance through the Superintendent's Office

1. The exact date(s) of filming, as well as any anticipated requirements for personnel, equipment, or other assistance from Marietta City Schools at a minimum of two weeks in advance of filming,
 2. Information on the number and kind of vehicles and the number of personnel expected to require access to the school property, so that appropriate arrangements can be made.
- If the plans change in any significant detail from the original application, permission may be withdrawn. Changes in the date or time of the filming may provide sufficient grounds to withdraw permission, as these may cause conflicts with other Marietta City Schools' events or uses of desired locations.
